You might need to add power steering fluid - this video shows you how to correctly add power steering fluid to your 2006 Toyota Solara. Adding power steering fluid to your Solara is easy (the hardest part is ...

A damaged steering pump is a common cause for power steering fluid leaks. Your Solara's power steering pump pushes the hydraulic fluid through power steering hoses and through the steering rack or gearbox. It is turned by the serpentine belt attached to the engine. The pump can wear down over time.
