

2006 xc90 power system service urgent

How do I know if my car has a power system service urgent warning?

Check your battery voltage, especially when you have had your vehicle sitting for a while. Do this before you start your engine. Make sure that you get your alternator bench and battery bench tested. Now, if you notice the power system service urgent warning, you also need to observe if the light is solid or flashing.

Does XC90 have alternator problems?

That was a couple years ago. The xc90 is now up to 167,000 miles, haven't had any more trouble with the alternator. 2007 XC90 3.2L V6 AWD. Had a similar issue with my alternator a few months back. My mechanic advised using a new Hella alternator and he has been using Hella to replace the Volvo Bosch alternators with no issues.

How long does a 2007 XC90 last?

Make sure you torque it properly and put in some thread locker. That was a couple years ago. The xc90 is now up to 167,000 miles, haven't had any more trouble with the alternator. 2007 XC90 3.2L V6 AWD. Had a similar issue with my alternator a few months back.

Is hella a good alternator for a 2007 XC90?

2007 XC90 3.2L V6 AWD. Had a similar issue with my alternator a few months back. My mechanic advised using a new Hella alternator and he has been using Hella to replace the Volvo Bosch alternators with no issues. And it was way cheaper than a new Volvo OEM alternator. I was sceptical and worried at first, but all is fine and compatible.

Got the red "power system service urgent" message yesterday while out shopping...stopped and restarted the car, and it went away for a few miles, then came back. ...
