

## 2017 silverado backup camera power source

Does my 2016 Chevy Silverado have a backup camera?

2016-2018 GM trucks with the 8 pin black plug at the rear for the camera connection. This includes Chevy Silverado all models, GMC Sierra all models, and HD trucks. If your truck did not come from the factory with a backup camera then this kit will not work for you.

Which backup camera kit is right for my GM vehicle?

Easy steps to find the right product for your vehicle. Works with 2016 & 2017 models. Our 2016 - 2017 Sierra Silverado Plug & Play Backup Camera Kit kits are easy to install & are among the best rear view camera systems for your GM vehicle.

Does a Hu have a back up Cam?

It only has reverse power when the truck is switched into reverse. Any HU that has a backup cam functions should switch itself to display the back up cam when the truck is put in reverse. I do not know exactly where that signal comes from on the truck or which wire in the harness would carry that signal.
