Who owns abundant energy solutions?

Abundant Energy Solutions is 100% owned by Abundant Solar Energy Inc.(ASE). ASE is an independent solar developer based in Canada that has managed over \$180 million of development equity capital. As a full-service solar developer ASE focuses on commercial, industrial and landfill opportunities.

What is abundant solar?

At Abundant Solar, our job is to put the power to harvest solar energy in the hands of homeowners and businesses. Today, solar electric systems are more affordable than ever, thanks to state rebates and federal tax credits, utility rebates, and net metering laws that allow consumers to sell excess power back to the grid.

Who is ASE solar?

As a full-service solar developer ASE focuses on commercial, industrial and landfill opportunities. Abundant Solar Energy currently has over 45 MW of assets under construction or long-term management as well as over 150 MW of solar under development in the State of New York under the management of our US subsidiary Abundant Solar Power Inc.
