What is Allied Battery?

Allied Battery is a U.S. based company dedicated to providing fully supported lithium energy solutions. They offer lithium batteries that are the only true 'Drop-in-Ready' for Golf, Marine, RV, and Solar applications. Choose from 12V, 24V, 36V, 48V, and 72V systems.

Does Allied have a golf cart battery?

From fleet to performance, Allied has the right battery to run your golf cart or ATV vehicle perfectly. Choose from 3 great sizes: 65Ah, 105Ah and 150Ah. Upgrade your golf cart with 48V Commercial Lithium Golf Cart Batteries.

What type of battery does the Allied cart use?

The Allied cart can be converted from a 48V lead-acid battery setup, most commonly using 8x 6V batteries or 4x 12V, to a more reliable and long-lasting lithium battery setup with the Allied 48V 105Ah Battery kit. This battery includes a Bluetooth enabled BMS that communicates directly with the Allied App and can handle upgraded motors and charge controllers.

Which lithium batteries are best for a golf cart?

Allied lithium golf car batteries are the only true 'Drop-In-Ready' lithium batteries for golf cart. Allied Battery's versatile lithium battery conversion solution allows users to convert 48V lead-acid to a full lithium golf cart set up. Choose from 2 x 48V 30Ah (30Ah) all the way up to 8 x 48V 30Ah (240Ah) lithium golf batteries for maximum range.

How do I charge my Allied commercial lithium ion battery?

The Allied Commercial Lithium Ion Battery for golf carts is charged with the Allied Lithium 48V 15A waterproof charger. Chargers are available with EZGO, Club Car and Yamaha OEM plugs to allow the existing port to be used or an Onboard Snap Plug Charger that can be connected directly to the batteries.

Are Allied lithium batteries safe?

Allied lithium batteries are tested and certified for all major safety approvals. They are the only true 'Drop-in-Ready' lithium batteries for Golf, Marine, RV and Solar applications. Choose from 12V, 24V, 36V, 48V and 72V systems. Allied Batteries are backed by an 8-year manufacturer warranty.
