My APC S15 Power conditioner went out. I have had it for about 5-6 years or so. I live in the Houston area, I don't really need power conditioning, but I definitely need surge protection and a battery back up. I have a ton of equipment. 82 inch screen, 9 Klipsch (RF 7"s 82"s) 4 big subs, about \$15-17k in equipment to protect. ...

I have an APC S15 Power Conditioner with battery backup that I got when OneCall was blowing them out a few years ago. It came with a corner that was crunched in shipping and APC replaced it free of charge, so their customer service was good to me. As for the actual performance, it's hard for me to say.
