UGreen's 145W power bank is our current top pick. It's a larger battery pack, but that's because its big charge capacity makes it so. That trade off allows you to fast charge an iPhone up to five times along with some power to spare for your other smaller devices like AirPods, while a fully-charged 25,000mAh max capacity is enough for a MacBook charge, too.

UGreen's 145W power bank is our current top pick. It's a larger battery pack, but that's because its big charge
