

# Bentley systems power line systems

Power Line Systems was founded in 1984 to provide consulting services and develop engineering software for the structural and geometric design of electric power lines. Power Line Systems is now a part of Bentley Systems.

Power Line Systems is now a part of Bentley Systems. [Learn More &gt;](#) ... Power Line Systems has completed implementing support for Windows 10. Support for Windows 11 came automatically, without changes to the software. ... The online help system is only supported with Adobe Reader/Acrobat version 8.1 or newer. Adobe Reader version 8.00 is unstable ...

(RTTNews) - Bentley Systems Inc (BSY) said that it agreed to acquire Power Line Systems -- a leader in software for the design of overhead electric power transmission lines and their structures ...

Tuesday: Welcome and What's New with PLS - Otto Lynch, Power Line Systems PLS-CADD/Lite New Graphical Commands - Graeme Louw & Alex Beers, Power Line Systems. Developing Security Loads - Jean-Piere Marais, EPRI. Stringing Wire & Swapping Attachments - Dan McCormick & Isaac Wirsbinski, Power Line Systems PLS-CADD use on Distribution for ...

Power Line Systems was founded in 1984 to provide consulting services and develop engineering software for the structural and geometric design of electric power lines. Power Line Systems has become the world-wide leader in software for transmission lines. We supply software to over 1600 organizations in more than 125 countries.

Power Line Systems is now a part of Bentley Systems. [Learn More &gt;](#) ... All insulator attachment points for the tension section are fixed locations in a 3-d coordinate system but the entire conductor or ground wire in the section is still modeled by a true 3-d finite element model. The structural flexibility of the attachment points is accounted ...

Power Line Systems supplies software to over 1,600 organizations in more than 125 countries and is a global leader for overhead transmission line design software. The Company was acquired by Bentley Systems Incorporated (NASDAQ: BSY) in February 2022.
