Who is the best solar installer in Idaho?

According to solar shoppers on the EnergySage Marketplace, the top five solar installers in Idaho are Magic Solar, Sun Driven Solar, Idahome Solar, Sunshine Saves Inc., and Comet Energy. How many solar companies are in Idaho? Should you choose a local or national solar installer?

Which solar companies are available in Idaho?

We researched numerous solar companies available in Idaho, including local installers such as Pell Solar and EGT. We narrowed our list down to the following three providers after comparing pricing, Better Business Bureau (BBB) ratings, product selections, warranty coverage, and customer reviews.

Is SunPower a good solar company in Idaho?

Our top pick for Idaho residents is SunPower. The company is well-rated among customers, had responsive customer support when we called, and offers some of the most energy-efficient solar panels in the industry. Is solar worth it in Idaho?

How do I choose a solar company in Idaho?

To choose a solar company in Idaho, consider one that offers a variety of financing options. For instance, Blue Raven Solar provides two financing plans -- BluePower Plus+ and SmartStart -- with \$0-upfront options for 18 to 42 months.

Are solar panels a good investment in Idaho?

Though the upfront cost of labor may seem high, the savings from proper installation and insured workers are worthwhile in the long run. Idaho is known to have some of the best solar incentives in the country. You may qualify for various rebate programs through the state and federal government.

How much does solar cost in Idaho?

The average price of solar is about \$2.02 to \$3.02 per watt in Idaho, so anything in that range is a fair price. Some prices may be too good to be true. If your installer quotes you way below the average price in your area, proceed with caution. Installers must charge fair prices to remain in business and provide you with 25 years of support.
