BigBattery off-grid lithium battery banks are made from top-tier LiFePO<sub>4</sub> cells for maximum energy efficiency. Our solar line-up includes the most affordable price per kWh in energy ...

BigBattery's 48V 5.3 kWh HSKY battery is one of our most versatile units, perfect for your golf cart, RV, or home power storage. This Power Pack includes our newest BMS System, Thermal Management Solution, Triple-Safety Redundancy Features, and BB50 Connection.

In addition to selling battery systems, BigBattery also offers inverters, chargers, cables, and connectors. All equipment sold through BigBattery is backed by a 10-year comprehensive warranty. While BigBattery has a number of off grid battery solutions, there are limitations to what the platform sells.

Will doesn't review everything that's out there. And as Ampster suggested you can do a DIY for much less than bigbattery deal, and you will know exactly what you have, BMS and so on, and be starting with new cells. DIY can be learned from watching Wills videos and learning from other members on this forum.

BigBattery's 48V 6.14 kWh LiFePO<sub>4</sub> 4x EAGLE Kit (EAGL) was designed to take your golf cart to levels you've only dreamed of. The EAGL Kits are our top selling golf cart solutions for a reason. The EAGL provides safe, reliable power for ...
