Tom Athan and Lars Norell will continue to grow Altus Power together with their partners, including Gregg Felton, Tony Savino and Justin Marron, all of whom have extensive experience in the finance and renewable energy development sectors. The Altus Power staff has broad-based experience in operations, sales, marketing and administration.

As certain conventional energy prices continue to rise, "renewable power [gets] more competitive every year," says Felton. Despite recent inflationary pressures, prices of certain renewable goods and services have dropped remarkably over the past decade, making them attractive alternatives for consumers -- solar panel prices, for example, have gone down 95%.
