

# Buy to let limited company or sole trader

Can a limited company buy a property?

Learn straight from the Pro's in the free 10-lesson Masterclass. If you choose to invest in property through a limited company, you own the company and the company owns the properties. The company will then purchase the buy-to-let properties, hold the mortgages, and pay corporation tax on any profits.

Can I move a buy-to-let into a Ltd company?

Where you already own investment property, moving existing buy-to-lets from a personal purchase into a Ltd company might seem simple, but, as a property transaction, it will still be liable to LBTT and ADS... and possibly even capital gains tax.

Can a buy-to-let landlord buy a property?

A further option for buy-to-let landlords is to purchase the property by using an SPV limited company with the investor (s) being company directors and shareholders of the company. An immediate advantage of this route is that presently, limited companies are able to offset all of the mortgage interest against profits from the rental income.

Should landlords invest in property through a buy-to-let limited company?

Many landlords are choosing to invest in property through a buy-to-let limited company, instead of building a portfolio as an individual. In 2022, there were 300,000 buy-to-let property companies in the UK, up from 89,757 in 2017.

Can a sole trader rent out a property?

If you own the property personally as a sole trader, then there's no distinction between you and the business. This means you'll submit Self Assessment tax returns and pay income tax on all of the income that the business receives from renting out the property, regardless of whether or not you take any of it for yourself.

Should I buy a property personally or through a Ltd company?

Whether buying property personally or via a Ltd company, what's best for you boils down to your income and how the tax will affect it. It can be the case that owning a property personally could be the best option; but if you have a high income, or more properties, then the Ltd company route could be a viable alternative.
