Much like Clessie Cummins, D.W. Onan was a man of humble beginnings. Born in Moorhead, Minnesota (USA) on July 4th, 1886, D.W.'s love for mechanics came from his father, a railroad worker who enjoyed tinkering with things around the house. After his father's death, D.W. dropped out of high school at 14 to support his family and started his first job at a power plant. ...
