

Dewalt 60v flexvolt lithium ion battery

Get power for your most demanding jobs with the FLEXVOLT 20V/60V MAX 9.0Ah Battery. Compatible with 20V MAX, 60V MAX, and 120V MAX tools, these batteries feature patented technology that automatically switches voltages when you change your tools. Designed with a 9.0Ah capacity, this FLEXVOLT battery provides unparalleled runtime allowing you to take on ...

When you require lots of power to cut through tough materials, this battery comes in handy. The 20V/60V DeWalt provides a helpful power boost to cordless tools and is a great choice for those users needing longer run times. In fact, it lasts four times as long as the 1-amp hour version, so it won't have to charge it very often.
