Designed around the E-flite Delta-V 32 80mm fan unit and high-speed DF32 brushless motor, its hyper-efficient intake and exhaust ducting deliver a potent power system that produces a large amount of thrust available as quickly as you can move the throttle stick. The new swept-back wing and horizontal stabilisers enhance the sleek appearance.

This system is the recommended high current 3S choice for E-flite's F-16 400 DF. The included BL480 Ducted Fan Brushless Motor, 4800Kv (EFLM1555DF) is purpose-built for this Delta-V 480 65mm EDF and together will provide great power 3S performance.

The E-flite Delta-V 32 80mm EDF electric-ducted fan unit is an ideal choice for products such as the E-flite Habu 32 DF and other similar-sized ducted fan airplanes. The Delta-V 32 80mm EDF is also an ideal choice for ducted fan airplanes requiring 80mm diameter fan units. ... handling and storage of personal and system information. For ...

EFLDF32 E-flite Delta-V (R) 32 80mm EDF Unit. Note: Graves RC Coupons are not applicable with this product . The E-flite Delta-V 32 80mm EDF electric ducted fan unit is an ideal choice for products such as the E-flite Habu 32 DF and other similar-sized ducted fan airplanes. The Delta-V 32 80mm EDF is also an ideal choice for ducted fan airplanes requiring 80mm diameter fan units.

The E-flite Habu 32x EDF airplane takes electric ducted fan (EDF) performance and engineering to new heights. Designed around the E-flite Delta-V 32 80mm fan unit and high-speed DF32 brushless motor, its hyper-efficient intake and exhaust ducting deliver a potent power system that produces a large amount of thrust available as quickly as you can move the throttle stick.

E-flite Delta-V 32 80mm EDF Unit. High-performance, efficient design with quick assembly time; Injection-molded, high-strength fiberglass-filled Polyphenylene Sulfide [PPS] plastic; Factory ...

E-flite's Delta-V 32 80mm EDF electric ducted fan unit is an ideal choice for products such as E-flite's Habu 32 DF and other similar sized ducted fan airplanes that require 80mm diameter fan units.

The Delta-V 32 80mm EDF is also an ideal choice for ducted fan airplanes requiring 80mm diameter fan units. The BL32 Ducted Fan Brushless Motor, 2150Kv (EFLM3032DFA - sold separately) is purpose-built for this

## E-flite delta-v32 edf power system

Delta-V 32 80mm EDF, ...

an E-flite 6S 5000 30C Li-Po pack. And it does so without resorting to drag-inducing cheater holes. The result is a sport EDF with exhilarating speed that will give even experienced jet jockeys goose bumps. As the first Platinum Series E-flite®; ducted fan, the Habu 32 DF also boasts a ...
