iSwim vs FAFCO: Comparing Solar Pool Heating Panels. Florida Solar Design Group is Southwest Florida's exclusive iSwim dealer. We have extensive experience with the FAFCO brand, which is a respectable name, and a well established product. However, there are serious flaws in the product design. The iSwim panel addresses these in the following ...

Solar Pool Heating--Unique solar thermal technology built to last. In 1969 Freeman A. Ford founded FAFCO with the innovative concept of using polymers to heat swimming pools. After 100 years of solar thermal collectors being made from copper, new materials provided the resistance to the harsh chemicals that cause corrosion and system failures.

Enjoy a longer swimming season by heating your pool sooner, maintaining a comfortable water temperature, and keeping the pool warmer longer. FAFCO Connected Tube (CT) solar panels ...
