Real feedback from real homeowners. ... a \$65K loan in connection with a residential rooftop solar project that was planned but cancelled by the residential solar installation company Freedom Forever in August 2022 ...

Freedom Forever seems to be a reputable solar company. But Freedom Forever solar reviews are mixed -- some incredibly satisfied and many others displeased. On paper, the company is a great candidate. However, some client reviews suggest otherwise, and outsourced labor could be part of the communication disconnect.

From the litany of complaints against this company and endless string of 1-star reviews, I'm glad I realized what a loser this company was before I finalized the deal. Sam gave me an estimate to purchase solar panels, but then he decided he had better things to do other than his job when I needed an estimate for leasing panels.

Specialties: Freedom Solar is a contractor offering solar panel and backup power installation services for residential homes and commercial settings since 2007.
