Who is freedom solar power?

Freedom Solar Power is a top-rated solar & battery backup provider for homeowners & businesses. Maximize energy savings - contact us for your free consultation!

Is Freedom Forever a good solar company?

Freedom Forever is the only solar company I will ever tell people to work with. After Encore, Lumio, and the like have left a wake of bad installations and broken panels through Colorado Springs, we desperately needed Freedom Forever and they saved the day. Alina Apodaca is awesome! She made the process easy and stress free.

Are freedom solar panels reliable?

The solar panels are also very reliable and the installation process was smooth and easy. Had my solar system for 3 years now. Super happy with everything works as promised. Highly recommend Freedom Solar Power.

What's your experience with freedom solar?

The overall experience is very positive, from the initial consultation to the installing - the installation team "jalapanel poppers" was extremely helpful and thorough explaining the installation process. I would recommend Freedom Solar to anyone who is in the market for solar panel installation.

Would you recommend freedom solar power?

Really enjoy having solar and the support from Freedom Solar Power! Michael patiently explained the benefits of going solar to me and my wife. I would def recommended Freedom Solar Power.

Why did freedom solar install a Tesla Powerwall?

Having gone without power for several hours each day during the rolling blackouts during the great ice storm of 2021, I contracted with Freedom Solar in the fall of 2021 for a solar panel system with the Tesla Powerwall for my Sun City Texas home. System was installed in the spring of 2022 just in time for the rolling blackouts that summer brought.
