

Freedom solar power cost

How much does freedom solar cost?

Freedom Solar's use of premium solar components makes its systems slightly pricier than most of its competitors. On average, homeowners choosing Freedom Solar can expect to pay around \$25,000 to \$30,000 before incentives. Being a SunPower master dealer, Freedom Solar offers solar panels made by Maxeon, SunPower's panel manufacturing subsidiary.

Does Freedom solar install solar panels?

Freedom Solar installs grid-tied solar panel systems but specializes in off-grid options, such as ground-mounted solar energy systems and solar carports. Freedom Solar also installs solar batteries like the Tesla Powerwall and SunPower SunVault.

How powerful are freedom solar panels?

Freedom Solar Power solar panels are efficient and powerful. More than 191.5 megawatts of Freedom Solar Power solar systems have been installed since its founding, generating enough electricity to power 158,000-plus homes for an entire year and the equivalent of taking 175,000 cars off the road.

Is freedom solar power a good company?

Freedom Solar Power's reviews are positive. Of the 199 verified customer reviews on ConsumerAffairs, 89% are satisfied. Customers appreciate the professionalism and knowledge of the sales representatives, as well as the efficient installation process.

Does Freedom solar power offer a warranty?

The team at Freedom Solar Power places a great deal of confidence in the PV solar systems it installs. As a result, each system comes with a 25-year power output warranty for all rooftop solar panels. If the panels do not produce the amount that the customer was quoted for, Freedom Solar Power will pay them the difference.

Does Freedom solar power offer solar backup power?

In addition to solar panel installation, Freedom Solar Power offers a few options for solar backup power. A solar backup system connects to your home's solar panels and the electric grid. It stores excess power that can then be returned to your home in a time of need, like a power outage during an emergency.
