

Geometric solar system tattoo

What is a geometric Solar System tattoo?

Geometric Solar System Tattoos Much like abstract tattoos,geometric tattoo designs use various shapes and lines to establish an overall piece. This style focuses more on the linear ideology of the solar system rather than the planets themselves.

How do I choose a tattoo based on the Solar System?

Try a Temporary Tattoo For fans of precise lines and geometric patterns, a black and white dotwork piece featuring the solar system can be a stellar choice. By incorporating the geometrical elements, the planets like Saturn, Mars, and the Moon take on a unique, artistic form that stands out as much for its design as for its symbolism.

What does a solar system tattoo look like?

Galaxy solar system tattoos show how wild and chaotic space can be. Deep purples, blues, and blacks are often used together to make a background that makes the solar system stand out. That style is dramatic and mysterious, just what someone who feels drawn to the vast unknown of the world would want.

What are realistic Solar System tattoos?

For the purists out there,realistic solar system tattoos are a homage to the true beauty of space. These designs often feature detailed renditions of planets,complete with swirling storms on Jupiter or the rings of Saturn,rendered with such precision that they could be snapshots from a spacecraft. Sometimes,less is more.

Do Solar System tattoos have a history lesson?

There's no real history lessonon solar system tattoos though some ink addicts and artists will tell you that the design idea has been around for decades. Artists also note that within the history of the solar system tattoo (however long that may be),the design has changed over time .

How long does a solar system tattoo take?

If you gravitate towards smaller,intricate designs,a tiny solar system tattoo could be an appealing choice. Taking around two hoursto complete,it offers a subtle,mysterious,and perfectly cosmic piece for those keen to minimize their time spent under the needle. @velvetundergroundtattoo via Instagram - Love this design?
