

Greenbacker renewable energy fund

For Greenbacker, the investment is in line with its commitment to backing hydropower adoption and its focus on clean energy development in New York state. Greenbacker invested in Clear Energy Hydro through an affiliated fund set up in 2020 to provide flexible capital to small- and medium-sized renewable energy infrastructure firms.

The funds are intended to support the construction and operations of the Appaloosa Solar 1 Project near Cedar City in Iron County, Utah, owned by an affiliated fund of Greenbacker Renewable Energy Corporation (Greenbacker) and rPlus Energies.
