How to increase area and energy storage summoners war

1 at 92 instead of 42. With all buildings, statues and the daily pack together, you will then have the maximum storage of 310 Energy.

In this case it's not very taxing on the server. The reasons (i think) why com2us has smaller limits is 1. To keep the ram needed to run summoners war on a mobile device on the smaller side, because after the request from the server it's cached on the device. And 2. To keep the amount of data passed over the wire on the smaller side.

Greetings from <Summoners War: Chronicles>. We would like to inform you about the changes in this upcoming update. ... Increase Summoner HP by 540 when using Light attribute weapon. 4? Lizardman (Fire) ... Energy Punch. Punches hard to attack the enemy target and applies CRIT DMG Taken UP. Applies an additional ATK DOWN if the target is a boss.
