

Is solar panels free

Are free solar panels a scam?

Fact check: Government offers tax credits, not free solar panels Becca Jones-Albertus, the director of the Department of Energy Solar Energy Technologies Office, published another article warning the public about solar panel scams.

Are solar panels free?

You may see some solar panel companies advertise their panels as "free" or "no cost." In most cases, these companies are describing a solar lease or solar power purchase agreement (PPA) type of program. Under these agreements, the company installs solar panels on your roof or property for no upfront to you; hence, the "free" terminology.

Does the Department of energy offer free solar panels?

The Department of Energy and the Solar Energy Technologies Office have got you covered! The Department of Energy is aware of claims of offers for free solar panels or that solar companies must provide solar panels for free if requested.

Can free solar panels bring you in on a deal of lifetime?

Sunlight is one of the most widely available resources on the planet. With recent investments and advances in solar energy technology, more Americans than ever before can harness the sun's rays and power up their homes and businesses. Riding this historic trend, some are even claiming they can bring you in on a deal of lifetime: free solar panels.

Are "free" solar panels a good idea?

The concept of "free" or "no-cost" solar panels really is too good to be true. "Free" solar panels are essentially rented from solar companies. While you will reap the benefits of cheaper electricity bills through solar power, you do not own the panels; the solar company does. Once your lease agreement is up, the panels will be removed.

Is 'free solar' a good idea?

Zero-money-down installation, free maintenance, free enrollment, guaranteed savings written into the contract -- these promises are all just a little too good to be true. We'll get into the fine print on why "free solar" is so misleading, but if you're looking to install solar panels on your home for \$0 down, it's best to do so with loan financing.
