

John shafer real goods trading company solar

Who is John Schaeffer?

In 1977, Real Goods President and cofounder John Schaeffer was 29 years old and living in an off-grid community in Mendocino County, California. As one of the few members of the community with a vehicle and a commute, he became the designated person to pick up supplies for the community.

When did Real Goods Solar buy Marin Solar?

Between 2007 and 2008 Real Goods acquired four solar installation companies in California and became one of the nation's largest solar installers. In November 2007, Real Goods Solar acquired San Rafael, California-based Marin Solar for \$3.2 million in cash and stock.

When did Real Goods start selling solar homes?

In 1991, Real Goods held its first direct public stock offering, selling stock directly to its customers, and raised \$1 million. The following year Real Goods declared a National Off-The-Grid Day, which soon became the National Tour of Solar Homes, during which the public could see solar-powered living firsthand.

Did solar roofs save RGS?

Solar roofs failed to save RGS. But a piece of it lives on with founder John Schaeffer, who left the company in 2013 and bought back control of the Solar Living Center, a lush compound in Mendocino dedicated to teaching sustainable lifestyles, including solar power, permaculture and natural construction techniques.

Who owns Real Goods?

Schaeffer, along with his wife Nantzy Hensley, is now once again the sole owner of Real Goods, as he was before the merger with Gaiam. On September 4, 2019, The Alternative Energy Store Inc. (altE) acquired the Real Goods Trading Corporation assets from John Schaeffer, with altE CEO Sascha Deri being named Real Goods CEO.

What happened after Real Goods sell-off?

You yourself ADMIT you can't speak for what happened AFTER Real Goods investors were BETRAYED by the sell-off to a bunch of greedy no-nothing crooks in Colorado. So get off your high horse. Sure you guys built something to be proud of, but then you cashed in and sold out your investors leaving us holding the worthless empty bag.
