

Just solar energy reviews

Is just energy a scam?

This company is a scam, do not be fooled by ANY positive reviews or attributes to this company. Look them up on YouTube and see for yourself that there are SEVERAL videos testifying guests who felt duped by Just Energy. Dear Jason, we apologize for your recent experience with Just Energy regarding your sales experience.

How do I choose the best solar company?

By reading reviews, you can spot patterns and find potential questions to ask before deciding on the best solar company for you. Here are some positive and negative reviews found on Solar Energy World's Better Business Bureau page with minimal edits for clarity.

Why do most solar companies not give specific prices?

Most solar companies avoid giving specific prices because the cost varies by location, system size, energy needs and available incentives. Solar Energy World didn't provide exact figures but emphasized it isn't the cheapest or the most expensive.

Is going solar a good idea?

Going solar is a smart idea for many homeowners. Despite the high upfront costs, "the energy savings can offset the initial investment with a great (return on investment)," according to Warren Matthews, co-founder and head editor at Helius Hub.

Is solar energy world a good choice?

Solar Energy World's 15 years of experience and extended solar warranty make it a dependable choice, especially if you're on the East Coast. The solar industry faces headwinds in 2024, with over 100 solar companies shutting down due to rising interest rates, tighter financing and policy changes, like California's NEM 3.0.
