

# Meguiar s g55107 da power system kit

Product Review: Meguiar's DA Power System Meguiar's DA Power System (Image Taken From Meguiar's Direct) Price: \$59.99 Introduction: Meguiar's always comes out with cool new products every year. I always look forward to the SEMA show every year not only to see amazing car builds and cool products but also to see what Meguiar's has up their sleeve.

Meguiar's G55107 Dual Action Power System Kit is the absolute answer. Amazon has this dual action polisher on a great deal, letting you save \$15 upon use of coupon. Originally posed at \$250, this stand alone polisher dumps the handwork of polishing your way through the use of a 4

Meguiar's 5-step paint care is still in effect while using DA Power System, don't forget to wash and clay your vehicle prior to use of this System. If you use a corded drill with trigger lock (like I did), remember that it locks in its highest speed setting, so make sure you don't exceed 2,500-2,800 rpm.

Reading opinions provides you having a a good deal of fuller information on the cons and pros on the meguiar-s-g55107-da-power-system-kit.

Meguiar's solution is the DA Power System which brings the same DA power to your home garage by turning your drill into a professional grade Dual Action Polisher. By letting your drill do the work, you can now wax your car in just 15 minutes with far better results than hand or orbital polisher applications.

Dual Action machine polishing has been a detailer's secret for years. It's the fastest, most effective way to compound, polish and wax a car, truck or boat. Meguiar's DA Power System brings that same power to your garage by turning your drill into a professional grade, Dual Action Polisher.
