1 review for Nexus Solar, 1.5 stars: "Unbeknown to us, Nexus Solar illegally installed our solar and after 2 years the isolator caught fire and the system has now been disconnected. The owner Brendan has repeatedly failed to get this sorted out. We now have to pay another company to remove and reinstall the system. They are cowboys."

Specialties: We understand how critically important it is for us to transition away from fossil-fuels to renewable, clean energy. This is why we pride ourselves on educating our customers and the community about the environmental and ...

Nexus Green is the trusted partner you can rely on to deliver superior solar solutions, making a positive impact on businesses, communities, and the environment. Powering the Nation with Sustainable Solutions: Nexus Green leads the way towards a brighter, cleaner, and more sustainable East Africa.

Purchased Solar from Nexus Solar. It was installed in January 2019. The App never worked correctly to let me know the solar reading and after the first bill came after 3 months it showed the system was not working correctly. I informed them immediately. 7 months later they fixed the system- which was incorrectly wired by 70% of the panels.
