

Power system services alabama

If you live in Huntsville, Alabama, you enjoy its mix of big-city amenities, small-town charm, and adventurous spirit. For example, we love being "Rocket City" -- the hometown of U.S. space exploration since the 1950s and the epicenter of a new private-sector space industry, with more aerospace engineers and rocket scientists than any other U.S. metropolitan area.

Southern Generator Services is a sales and service provider for both commercial emergency power systems and residential standby generators. Formerly Birmingham Electric Battery Company (BEBCO) generator division, Southern Generator Services provides generator sales to the entire southeast and service for Alabama and the Florida pan handle.
