

## Reveal external solar panel

The Tactacam Reveal External Solar Panel has an integrated rechargeable lithium battery pack, so it outputs 12 volts of DC power from its included 6" charging cable to power any brand of trail camera. It provides power even if the camera batteries have no charge, and it includes a DC charger so you don't have to wait for the sun to charge the ...

About this item . DESIGNED TO PROVIDE POWER: Reveal by TACTACAM's 12-volt External Solar Panel with integrated rechargeable Lithium battery is designed to provide power to all brands of Trail Cameras - even if the host camera batteries are dead

It's the solar panel we have an issue with and the lack of customer service to refund us our money for it. I received the camera/solar panel bundle in a timely manner. The camera was very easy to set up. The solar panel was easy to charge; however, we had to let it sit for a few days while we were waiting on the camera/solar panel stand.
