What are the best solar companies in Hawaii?

Keep reading to learn our picks for the best solar companies in Hawaii. The best solar companies in Hawaii are Tesla, Malama Solar, Independent Energy Hawaii and Sunrun based on our research of nearly 100 companies operating in the state. Top solar installers in Hawaii can cost around \$2.67 per watt or around \$14,500 for a 6kWh solar system.

Which solar company should I hire in Hawaii?

We recommend considering either SunPower or Malama Solar for your solar project in Hawaii. SunPower and Malama Solar are our top picks. We'll compare these companies and our other picks for the best solar companies in Hawaii side-by-side in the table below. This should help you decide which options to consider further as you read.

Is Hawaii a good place to buy solar panels?

Hawaii's solar business is booming, though the state ranks 20th in the nation regarding solar system adoption rates. Hawaii solar companies are everywhere, with over 100 organizations at last count. Forbes Home surveyed more than 2,000 people in 2023 to gauge customer satisfaction levels when it comes to solar panels.

Who is the best solar company in the Aloha State?

Some solar companies also assist you with applying for federal and state solar incentives. Based on our analysis, we've selected SunPower as the top solar provider in The Aloha State. The company builds some of the most efficient solar systems in the residential space and includes in-house components for improved, streamlined performance.

Should you lease or buy a solar system in Hawaii?

We chose Sunrun as the best pick for those looking to lease a solar system instead of outright purchasing one. The company offers a diverse array of leasing options to Hawaii residents, so you can get the benefits of solar panels without an exorbitant upfront cost.

Are solar companies going out of business in Hawaii?

Unfortunately, more and more solar companies in Hawaii are going out of business due to increased demand. Younger companies may be more likely to go out of business, which could void your warranties.
