

# Solar company in kabul

The construction of a 22.75 MW solar energy project began today (Tuesday) in the Naghlu area of Surobi district, Kabul. Abdul Bari Omar, the head of Da Afghanistan Breshna Sherkat (DABS), said that this \$18.2 million project, funded by Afghan and Turkish companies, is expected to be completed within a year.

The ten-megawatt solar energy project was completed in ten months with an investment of 7.6 million dollars. The head of the contracting company for the ten-megawatt solar energy project in Naghlu, Kabul, called on investors abroad to return to Afghanistan and contribute to the country's development.
