

Solar company in pakistan news

Will Pakistan be a solar exporter?

Netline, the power and energy solutions specialist company owned by Karachi's Zavary family, plans to begin manufacturing solar panels in Pakistan to "meet the local demand" and eventually "to make Pakistan an exporter of solar panels". Zavary said that the "future of solar is bright" in Pakistan.

Will Pakistan give away free solar panels?

Despite the federal government's concern about its power network, the provincial government of Punjab, home to more than half of Pakistan's 240mn population, announced in July that it would give away free or heavily subsidised solar panels for millions of citizens struggling with rising electricity bills.

Does netline have a solar project in Pakistan?

Netline has so far installed solar systems with a power generation capacity of almost 15MW with 400 active locations across the country from Skardu to Karachi. Pakistan's Netline is also designing solar projects for Saudi Arabia's \$500 billion Neom smart city which has a renewable energy demand of around 20 gigawatts.
