How do I choose a Las Cruces solar company?

Look for Las Cruces solar companies with a minimum of 3.5 out of 5 starson Google Reviews and comparable customer review platforms. The company should also have a good rating on Better Business Bureau (BBB). Reviewing previous customer testimonials can give insight into other homeowners' experiences working with the solar company.

Do I need a solar battery in Las Cruces?

No,you don't need to install a solar battery in Las Cruces. Solar panels can operate and lower your electricity bill even without a battery. However,a solar battery might be a worthwhile investment in some cases. A battery can provide backup power and priceless peace of mind in places with prolonged grid blackouts or extreme weather events.

Are solar incentives a good idea in Las Cruces?

Solar incentives and rebates can cut the cost of installing solar in Las Cruces by thousands of dollars. The most significant incentive is the 30% federal solar tax credit,available to any taxpayer in the country when they purchase solar panels or battery storage.
