

Solar energy honolulu

What are the best solar companies in Honolulu?

Because of Hawaii's dependence on imported energy, Honolulu residents are subject to some of the highest power pricing in the country. Homeowners in Honolulu can offset power costs by switching to solar power. Based on our research, the best solar companies in Honolulu are Sunpower, Sunrun, Rising Sun Solar and RevoluSun Hawaii.

How does solar power work in Honolulu?

Homes with a solar and battery storage system can sustain power and keep appliances running through an outage. Environmental impact: More than 80% of Honolulu's power comes from fossil fuels, which cause carbon emissions that harm the planet. But solar panels generate power and cause no emissions.

Does Hawaii have solar power?

But Hawaii receives ample sunshine, which allows homeowners to generate plenty of free solar power, offsetting the costly grid power and saving money on power bills. Protection from rising power costs: In 2021, the average cost of one kilowatt-hour of energy in Hawaii was 28.7 cents.

Is Honolulu leading the way for solar power?

Honolulu is leading the way for solar power. Here's how other US cities rank [Link Copied!](#) Dane Hew Len, lead installer for RevoluSun, places a solar panel on a roof in Honolulu. Solar energy is booming in America's cities.

How many solar panels does Honolulu have?

"And now, this report really just shows how far major cities have come to tapping the immense power of the sun." Honolulu -- the country's top solar generator -- has 1,133 watts of solar capacity installed per person, which is equivalent to more than three solar panels for each person in the city.

How much does solar cost in Honolulu?

The average price of solar is about \$2.14 to \$3.2 per watt in Honolulu, so anything in that range is a fair price. Some prices may be too good to be true. If your installer quotes you way below the average price in your area, proceed with caution. Installers must charge fair prices to remain in business and provide you with 25 years of support.
