

# Solar panel lawyer near me

What is the Florida Attorney General's Office doing about solar panels?

The Florida Attorney General's Office is seeking to permanently enjoin both companies from making unsubstantiated or misleading claims, or engaging in any business practice that misleads consumers about solar panel systems. The actions also seek to recover refunds and other relief for consumers for harms suffered as a result of these practices.

Are solar panels a scam?

But so are cars, credit cards, and mortgages. Like those products, at the heart of getting solar panels is a complex and complicated consumer financial transaction. And while there are surely great and honorable solar panel companies and solar panel sales reps, there are also many scammers and scoundrels - resulting in solar panel scams.

Can solar panels be installed without a permit?

Not having solar panel permits, while obviously stressful, can have a silver lining. In a solar panel lawsuit, failure to pull permits can actually be evidence of negligence by the contractor. Solar panels installed without a permit or inspections? Give me a call to discuss your options. Interested in speaking with a solar panel lawyer?

Why are solar panels being sued?

Today's legal actions are the result of the Attorney General's Consumer Protection Division investigations revealing the companies misled consumers about solar panel system installation processes, misrepresented pricing and incentives, and in some cases, caused damage to customers' property.

Are solar panel lawsuits becoming more common in Florida?

In Florida, Solar Panel lawsuits are becoming more common. These are the most common issues my clients are dealing with. You too? Let's talk.

Can a homeowner install solar panels on their property?

With this being stated, it is recommended that even though the association cannot deny the homeowner the ability to install energy saving devices such as solar panels on their property, that the member should still follow the applicable procedures set forth by the architectural review committee before any such installation.
