

## Solar panels at harbor freight

Does Harbor Freight sell solar panels?

It's a fair question to ask considering Harbor Freight is known for discount tools more than anything. It is important to note that the solar panels Harbor Freight sells are NOT meant as a home energy solution as they mainly offer 100 Watt panels which are more suited to charging devices or powering small appliances.

How much does a 40066 solar panel cost?

Compare our price of \$164.99 to NATURE POWER at \$225.76 (model number: 40066). Save \$35.77 by shopping at Harbor Freight. Portable and easy to set up, this reliable, durable solar energy kit delivers 100 watts of free, clean and quiet energy. The amorphous solar cells offer efficient output in both bright and cloudy conditions.
