What services does SolarPro offer?

SolarPro offers an end-to-end nationwide Solar PV installation service. We understand that many individual customers and companies are not familiar with our industry and may not always know what to expect. Therefore, we provide consultancy services on Solar PV system types, sizes and on quality of equipment on the market.

How good is SolarPro?

Malaysian Q Cell panels used. Smooth process. No pressure selling. Responsive and customer service all good. No complaints whatsoever with Solarpro. Great to deal with. Only fly in the ointment is the Solaredge inverter which appears to be of substandard quality because it's been replaced twice already.

The Solar Power Pro works exclusively on Solar Power and has done so for 10 years now - making him one of the most experienced installers in the Illawarra. - For more see About. HONESTY: The Solar Power Pro tells it like it is. The truth is a precious and sometimes rare commodity - but it's what you get when dealing with The Solar Power Pro.
