

Solar system kit target

Why should you buy a solar system set?

Ideal gift for Halloween, Christmas, Stocking Stuffers, Easter Baskets or even for Homeschool. Demonstrate rotation, revolution, and orbit with this durable, washable solar system set. Teach the position, order, size, and shape of the planets and sun.

What is included in a solar system set?

Includes all 8 planets, Pluto, the sun and Earth's moon, repair kit, activity guide, and foot pump. From the Manufacturer Create an out-of-this-world playroom or bedroom with this unique solar system set. Each full-color component inflates easily, turning any room into a space-age experience.

What is a good gift for kids with a solar system?

This solar system and space-themed toy set would make for an excellent gift for a kid who's interested in the solar system. The activity games in this kit require kids to perform experiments, think creatively, and create projects by following instructions to learn about planets and the solar system.

How many planets are in a solar system kit?

This solar system kit includes eight white plastic balls for the planets and one for the sun, stencils, glow-in-the-dark paint, a paintbrush, a few colors, rods to assemble the kit, a platform stand, and strings to secure the planets in place. In addition to these materials, the kit also includes a 'Kidz Quiz' questions set and a chart full of solar system facts.

Are Solar System toys good for kids?

Solar system toys tend to be more educational toys rather than toys for play. Their sole purpose is to teach your kids about the solar system and the universe. So, they might not be very enjoyable toys for plays. But they're of great value given the fact that they familiarize your child with the solar system and the universe from a young age.

What is a Solar System sticker?

The stickers include all the planets of the solar system, the sun and spaceships, and satellites. Besides, these stickers by DECOWALL have scientific facts about the solar system. For example, the earth takes 365 days to make one complete revolution around the sun and so much more. Your kids will definitely learn if they use these decals.
