

Who is sunnerg group?

Sunnerg Group is a unique interlocutor for investors and customers. It offers a complete service, from construction to connection, up to project maintenance. Competence and experience have allowed the group to achieve 600 MW until now, with over 50 projects in 5 different countries.

How has sunnerg group positioned itself in the international market?

Competence and experience have allowed the group to achieve 600 MW until now, with over 50 projects in 5 different countries. Sunnerg Group has chosen to position itself in an international market through important growth margins of its services outside the country's borders.

What does sunnerg do?

The mission of Sunnerg is to aid clients in the development of eco-sustainable projects through the supply of key installations/plants for the production of renewable energy, which includes feasibility studies, design, installation and support for financing according to the highest qualitative and technological standards.

Why is sunnerg group important?

Sunnerg Group has chosen to position itself in an international market through important growth margins of its services outside the country's borders. The services that Sunnerg Group offers are valuable for the renewable energy sector and can therefore contribute to the realisation of a more sustainable future for the entire planet.

How do I contact sunnerg?
